How to Enter Game Scores for Rock Spring League

Scores must be entered within 48 hours of the game, otherwise the score must be entered administratively. If you miss the window to enter your score, please email rockleague@crusa.net – include game #, home and away teams and scores for each.

Winner of the game should enter the score, although either team may do it. If the game is a tie, the home team should enter the score.

Go to the game schedule page
https://system.gotsport.com/org_event/events/49185

At the top right, click "scoring input"

Pin # is 2027

Enter the game # to find your game. Enter the score for home and away and hit SAVE. Then please check the online schedule to be sure the score is correct, as it should post immediately.
